Highline & Green River Campus

Law & Order Camp

Green River & Highline Colleges

Multiple Sessions:

Ages 12 – 14	7/17 – 7/20	9AM – 4PM
Ages 8 – 11	7/24 – 7/27	9AM – 4PM

Join Highline and Green River Faculty to explore the Criminal Justice System this summer in a fun and hands on learning environment. Work with Lynne Dean, Forensic Scientist/Retired latent fingerprint examiner, to process a crime scene and explore the basics of crime scene investigation both at the scene and in the lab. As you work your case, get ready to take it to court as you travel to Highline's campus to work with Bruce Lamb, J.D, MPA with over twenty years of litigation experience in jury cases, and Che Dawson J.D, to hold a mock trial. Campers will have opportunities to participate in the trial, and learn what goes into bringing a case to court.

Early Bird Fee (through 5/31): $500.95

Fee (6/1-6/30): $520.95

Enumclaw Black Rocket Camps

ROBLOX® Creators Camp, Ages 8-14

Green River College Enumclaw Campus

7/10 – 7/13	9AM – 3PM

In the morning discover the Lua language through a visual block coding system while designing worlds in ROBLOX®, an online universe where you can create anything you dream of. This new class combines game design concepts, coding, and fun! Young entrepreneurs will also learn how to navigate ROBLOX's fast-growing marketplace to publish their games. In the afternoon Unlock the power of ROBLOX® Studio, the world creation tool used by real-world ROBLOX® developers! Learn how to build 3D models and create an adventure in your ROBLOX® world. Bring characters to life with unique animations you design. Student-created projects will be available on a password protected Black Rocket website to share with friends and family. Package includes Black Rocket camps ROBLOX®

Online Black Rocket Camps

Youth Programs

Creative Photography for Youth

In this course students will learn techniques to create artistic images using different lights, perspectives and angles that will help them to express and communicate emotions, opinions and to find their own voice. Participants will also be encouraged to think out of the box by using different subjects to project their ideas and creativity that at the end will be showcased in a virtual gallery created by the teacher, for everyone to visit. We will work on understanding the mechanics of any type of camera (DSLR, point-and-shoot, phone, etc.) to let the students know the tools that they can work with, including basic photography terms, documentary and portrait photography style that will help them build ideas and inspiration. Students are always welcome to bring additional materials they wish to explore with them. Fee: $99

Coding Camp, Ages 8-14

Green River, EnumcIaw Camp, 7/17 – 7/20, 9AM – 3PM

In this full day camp Find your voice and leave your mark on the world! Whether you are six or sixty, it's time to start a career as the next YouTube fi star. Explore the variety of content and personalities that exist on YouTube and how to find your own niche. Learn the Dos and Don'ts of the platform and how to practice good digital citizenship. Develop your on-camera presence, your own channel branding, and professional editing skills. Take home a plan for launching your own channel with the content created in class! Student projects will be available on a password protected Black Rocket website to share with friends and family. Students work in pairs or teams for most of the program. Then, begin your rise to the top of the charts with digital music production! Just like today's top artists, you can design your own beats or remix a mashup of your favorite songs to become a digital composer and sound engineer. In this course, students will learn to produce digital music, record sound, make sound effects, and mix their own tracks. No prior music experience is necessary. Student-created soundtracks will be available on a password protected website to share with friends and family. Package includes Black Rocket camps Beats and Jams: Digital Music Creators & YouTube fi Content Creators

Early Bird Fee (through 5/31): $365.95

Fee (6/1 – 6/30): $389.95

Young Leaders Camp, Ages 11-14

Green River, EnumcIaw Camp, 7/31 – 8/3, 9AM – 3PM

In this Leadership series Become one of the 400,000 students around the world in Model United Nations! Assume the role of an ambassador and represent your country to solve current world issues. Throughout the week students will research a world problem, develop solutions, and negotiate consensus with their peers. This program teaches teens and tweens core skills such as research, writing, public speaking, problem solving, and conflict resolution. Model UN alumni have gone on to become supreme court justices, world leaders, lawyers, and business professionals. No prior experience is needed. In the afternoon kids will be taught the secrets of building financial wealth and security! Whether you want to build the next great American company, become a Wall Street tycoon, or be the millionaire next door by investing wisely - this camp is for you! In this course you will learn the basics of investing in the stock market, the difference between assets and liabilities, the importance of diversification, and how to evaluate companies. You will also develop your own business plan and present your ideas to your peers to compete for their investments in a mock Shark Tank style activity. Package includes Black Rocket Camps Model United Nations & Young Investors & Entrepreneurs

Early Bird Fee (through 5/31): $365.95

Fee (6/1 – 6/30): $389.95

Minecraft fi Camp, Ages 8-14

Green River, EnumcIaw Camp, 8/7-8/10, 9am-3pm

Customize your own Minecraft fi world and mod the classic game in this one of a kind class. Learn scripting and logic statements as you create your first mods. Students will create a wide variety of new elements, gameplay mechanics, and world generating mods to change the way you play Minecraft fi. Projects will be available on a password protected Black Rocket website to share with friends and family. Returning students can create more advanced projects that build on previous years. Then advance your skill and take the next step beyond simply "playing" Minecraft fi and become a true Redstone engineer. Expand your Redstone knowledge by constructing your own carnival with a variety of mini-games, roller coasters, and attractions powered by Redstone. Learn how to use Command and Structure blocks to incorporate them into your builds. Activate your skills and take your Minecraft structures to the next level! Package includes Black Rocket Camps Minecraft fi Modders & Minecraft fi Redstone Engineers

Early Bird Fee (through 5/31): $365.95

Fee (6/1-6/30): $389.95

Gaming Camp, Ages 8-14

Green River, EnumcIaw Camp, 8/14-8/17, 9am-3pm

Embark on an EPIC adventure in virtual reality! In this cutting-edge class, learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, crafting 3D experiences, and learning basic programming concepts. At the end of the week, take home your first cardboard VR headset to show friends and family the new worlds you created. VR projects can be viewed on a website or mobile device. Students do not need a mobile device to take the class, but will need access to a mobile device at home. VR projects will be available on a password protected Black Rocket website to share with friends and family. When you comeback from lunch, are you ready to take your game design skills to another level? With Unity, an industry-grade design software, aspiring game designers will learn level editing, 3D modeling, impactful gameplay creation, as well as how to utilize scripts and variables. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Returning students can create more advanced projects that build on previous years. Package includes Black Rocket Camps Make Your Pa. V7ge class,
