Custodial Services will don the required personal protective equipment (PPE) before cleaning and disinfecting efforts begin to include Disposable gloves

Personal Protective Equipment

Keep in mind the availability of cleaning and disinfection products and appropriate and applicable PPE. Always wear gloves appropriate for the chemicals being used for routine cleaning and disinfecting. Follow the directions on the disinfectant label for additional PPE needs. In specific instances, personnel with specialized training and equipment may be required to apply certain disinfectants such as fumigants or fogs.
